NEWS BULLETIN

January 19, 1977

The Annual Meeting will be held at 7:30 P.M. Friday, January 28 in the Multi Media Room at the Depot. Included in the business meeting is an election of officers with the following names submitted for the offices by the Nominating Committee:

Vice-President, Administrative: Jergen Fuhr
Treasurer: Bob Cibuzar
Director, Equipment Restoration: Tom Gannon
Director, Exhibits & Displays: Ted Appelquest
Director, Operations & Safety: Jim Goulding

Nominations from the floor will be accepted also. The entertainment program will be films and slides of Transportation Club and museum activities over the past several years. Anyone wishing to contribute to the program is welcome to do so. Refreshments will be served.

An AMTRAK excursion to Minneapolis is scheduled for Saturday, February 12, 1977 for Transportation Club members, their families, and friends. The group will go by chartered bus from the Minneapolis AMTRAK Depot to the Northtown Shopping Center for the Midwest Model Railroad Show. This will be one of the largest model railroad exhibitions in the midwest with over 80 exhibitors including several manufacturers. Wives will have an opportunity to shop at the 89 stores in the center including Ward's, Powers, Young-Quinlan, Woolworths, and many, many specialty shops.

This will be the last chance to make such a trip since a schedule change for the Arrowhead will go into effect February 15 making a round trip in one day impossible.

A side trip to a railroad facility may be included if time permits. Anyone wishing to make the trip but not go out to the Model Railroad show may do so at a slight reduction in price.

IMPORTANT: We will have the use of our own dome car on the train if at least 45 adults (2 children under 12 count as one adult) make the trip.
