Please do not blame the waitress for the charge for a second cup of coffee. For over 60 years we have always charged for a second cup of coffee, even ½ a cup. Those who are not charged are cheating the house. In order to keep the price as cheap as we can, we do not want to raise the price to cover the second cup. Those who want it have to pay for it. We have always tried to serve the best food we can get on the market for over 60 years. We hope everybody understands the service we provide today.

**IF YOU ARE NOT COMPLETELY
SATISFIED, PLEASE INFORM THE
CASHIER. WE APPRECIATE YOUR
COMMENTS AND SUGGESTIONS.**
